

IP4X the simple solution even for retrofit

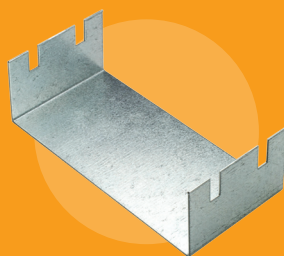

Trench
CABLE MANAGEMENT

OBO Bettermann Group

IP4X Lid Fix Bar

IP4X Outer U Piece

The Trench Cable Trunking range can easily be made compliant to IP4X using our standard off the shelf trunking lengths and accessories.

By simply adding to your order one IP4X Lid Fix Bar and one IP4X Outer U Piece for every join the installer can ensure the installation is compliant.

The standard Trench Trunking accessories are also manufactured to allow any retrofit installation of the IP4X Bar and IP4X Outer U Piece.

Plus these additional items are available ex stock.
