The NightHawk Plus Range of LED Security Lights

The Nighthawk Plus range consists of a wide selection of energy efficient flood lights to meet the requirements of many applications.

Simple to fit and adjust, there is a selection of light outputs to choose from and an optional PIR version with predefined settings for ease of use.

In addition to the IP65 rating making the range suitable for external use, the stylish robust housings are available in a black and white finish.

LED Security Lights
